

trained in the most innovative teaching techniques. As a certified Texas Instruments T-Fast (Technology for All Students) instructor, Ms. Mittenberg trains other teachers to use the newest, most advanced calculators. Over the years, she has taught almost 200 hours of in-service and professional development workshops.

I am proud to have nominated Ms. Mittenberg for this prestigious and well-deserved honor. We have heard time and again the importance of math and science in the classroom. Long Islanders can be proud that teachers like Jo Ann Mittenberg are teaching their children skills they need to be successful in tomorrow's world.

IN CELEBRATION OF THE OPENING
OF THE MALTZ MUSEUM OF
JEWISH HERITAGE

HON. STEPHANIE TUBBS JONES

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 19, 2005

Mrs. JONES of Ohio. Mr. Speaker, I rise to commemorate the newly opened Maltz Museum of Jewish Heritage. I was truly honored to be a part of this legendary event in my Congressional District. The Maltz Museum will serve as an extension of the highly prized collection of religious objects in the Temple-Tifereth in Beachwood, Ohio.

The creation of the museum was made possible through the efforts of Milton and Tamar Maltz, the creators of the International Spy Museum in Washington, DC. They convinced the Temple-Tifereth that they needed a museum to showcase their religious antiques, and provide a better accessible building for a more diverse array of people.

The Maltz Museum tells the history of the Jewish people of Cleveland and of those abroad. The museum uses photographic exhibits to tell their stories on religion, immigration, the Jewish contribution to Broadway, and the unforgettable events of the Holocaust. Vid-

eos and interactive computers along with audio tapes bring the past to reality.

On behalf of the people of the 11th Congressional District I celebrate the opening of the Maltz Museum of Jewish Heritage. This museum will serve as a link to connect all people of all religions in the pursuit of knowledge of Jewish religious history and its impact on our community.

TRIBUTE TO MAJOR GENERAL
FREDERICK E. MORRIS

HON. JOHN L. MICA

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 19, 2005

Mr. MICA. Mr. Speaker, it is my honor to pay tribute to Major General Frederick E. Mor-

ris, a veteran of World War II and distinguished Air Force pilot. I would also like to extend my deepest sympathies to his family and friends for their loss. General Morris passed away on August 22, 2005, and will be interred at Arlington National Cemetery on October 21, 2005.

General Morris joined the U.S. Army Air Corps as an aviation cadet and was commissioned as a Second Lieutenant in 1942. During the war, he served as a combat pilot in both the European and Pacific Theaters. He flew 66 missions flying B-26, B-25 and A-26 aircraft supporting Allied Forces over North Africa, Europe, China and Japan.

Following World War II he transferred to the newly formed U.S. Air Force and soon became a jet pilot with certification to fly the F-111. Throughout the rest of his 30-year career, General Morris served in various overseas commands as well as at home with the Joint Chiefs of Staff. He retired in a military service at the Pentagon in 1971.

Although he retired from service over three decades ago, his contributions to the defense of our Nation are still evident. In the 1960's, he worked on the Air Force's initial efforts at mass computer record keeping and data processing. Though primitive, those early programs fostered the technology revolution that has forever changed our Nation.

General Morris was the recipient of numerous decorations including the Distinguished Flying Cross, Air Medal and the Joint Service Commendation Medal. He will be greatly missed by his friends and family and today I want to honor his contributions to our entire Nation.
